

Educational Momentum Commitment Letter & Application

Thank you for your interest in identifying your organization as an Opportunities for Youth (OFY) Educational Momentum Partner.

The Educational Momentum Action Team is a collaborative, community response to the increasing number of local youth disconnected from school. Educational institutions across the valley have dedicated themselves to the Opportunities for Youth Initiative. Our network of educational institutions offer a wide variety of educational options to meet the needs of the diverse population in Phoenix.

By joining this initiative, your organization will benefit by:

- Accessing a network of agencies that can be leveraged for support and capacity building
- Access to aggregate level data to use for grant writing and data driven decisions
- Participating in a learning community of local and national partners
- Support of a collective network to leverage when seeking funding
- Having the opportunity to strategically impact Opportunity Youth at a macro and system level through expanded marketing/outreach.

Responsibilities of being an Educational Momentum Partner includes:

- Participate and be an active member in the monthly team meetings. We ask that you miss no more than 4 meetings, if you're unable to attend please let your team's OFY staff liaison know ahead of time.
- Agree to aggregate data collection and annual data entry
- Provide ongoing feedback
- Meet all agreed upon deadlines
- Provide resources to support this effort
- Agree to partner collaboratively with OFY referring organizations.
