

Reengagement Center Commitment Letter & Application

Thank you for your interest in identifying your organization as an Opportunities for Youth (OFY) Reengagement Center. A Reengagement Center is a site or organization that conducts active outreach to engage youth (16 to 24) who are out of school and not working and assist them in resuming their education and/or training to become career ready. A Reengagement Center may also provide individualized assessment, case management, and other services to support youth in returning to school or work.

By joining this initiative, your organization will benefit by:

- Accessing to a network of agencies that can be leveraged for support and capacity building.
- Accessing to aggregate level data to use for grant writing and data driven decisions.
- Participating in a learning community of local and national partners
- Supporting of collective network to leverage when seeking funding.
- Accessing to a national network of reengagement centers.
- Having the opportunity to strategically impact opportunity youth at a macro and system level.

Responsibilities of being a Reengagement Center Partner includes:

- Participate and be an active member in the monthly team meetings. We ask that you miss no more than 4 meetings, if you're unable to attend please let your team's OFY staff liaison know ahead of time.
- Agree to aggregate data collection and annual data entry
- Complete Quality Standards Baseline Assessment
- Provide ongoing feedback
- Meet all agreed upon deadlines
- Provide resources to support this effort
- Agree to partner collaboratively with OFY referring organizations
- Provide training to cohort members based on area of expertise as appropriate
- Agree to put OFY logo on your website
- Notification of change in participation status

OFY Reengagement Centers agree to adhere to the Reengagement Quality Standards. The six standards include:

- I. Outreach
- II. Readiness
- III. Planning
- IV. Educational Momentum
- V. Career Connections
- VI. Outcome Analysis

For additional resources including a copy of the Quality Standards and rating scale, other documents, and references, please refer to the Reengagement Center webpage on the OFY website at <https://oppforyouth.org/reengagement-centers>, or contact Stephanie Castillo, Program Coordinator, Stephanie.I.Castillo@asu.edu.
